## FLMS 2008 EXHIBITORS AND SPONSORS

This year FLMS would like to strongly encourage companies to remain involved in the FLMS conference over and above the regular exhibitor registration by being Sponsors for various events during the Conference.

Sponsorship possibilities include:

- **Sponsor a break during one of the technical sessions.** There are two breaks on Tuesday and Wednesday and one on Thursday. These breaks include coffee and snacks provided by the resort and will be located in the exhibitor hall. For your sponsorship, there will be posters around the food and drink area highlighting your company's generous sponsorship.
- **Sponsor lunch on Monday for workshop participants.** Monday's workshops have continued to grow each year in number and quality and this year's eight workshops are anticipated to draw about 40 – 50 participants.
- **Sponsor lunch for the general conference on Tuesday.** This lunch is usually casual and will include nearly 200 attendees. Sponsorship may be shared by more than one sponsor.
- **Sponsor the award's banquet lunch on Wednesday.** This is a more formal sit down lunch and includes the annual FLMS business meeting and the presentation of awards. Sponsorship may be shared by more than one sponsor.
- **As a lunch or break sponsor,** your company will be recognized in the printed conference proceedings that will be distributed to all attendees, on signage displayed throughout the conference area, on the FLMS web site for a period of one year, and on a PowerPoint presentation shown during the conference.
- **Also, consider providing door prize(s) or a raffle item.** Past door prizes have included gift certificates for local restaurants or vendors, coolers, flashlights, fishing gear, etc. Examples of past raffle prizes include artwork, GPS and other electronic equipment and off shore or backwater fishing trips. Door prize and raffle sponsors also will be recognized during the conference.

If you or your company/organization is interested in one or more of these sponsorship opportunities, please contact **Mr. Chuck Hanlon at 561-682-6748 or via email at [chanlon@sfwmd.gov](mailto:chanlon@sfwmd.gov)** for more information, and thank you in advance for your participation with FLMS.

In addition to the recognition you will receive at the conference, FLMS will be recognizing your important contribution on its web site. Therefore, we request each exhibitor and sponsor (break level and above) email a copy of your company's logo (.jpg or .gif format) suitable for the internet, contact information and a short description (100 words) of your company's services to **Erich Marzolf at [emarzolf@sjrwmd.com](mailto:emarzolf@sjrwmd.com)**. This information must be received by March 30, 2008. Thank you for your contributions to the conference and the protection of our water resources.

**Sponsorship Levels for the FLMS Annual Conference at
