
Job Description

Advanced Aquatic Services, Inc. (AAS) is a family owned and operated lake, pond & wetland management company in our 30th year in business. AAS uses only the most contemporary products and technologies to combat algae and invasive weeds growing in and around Florida's lakes and waterways.

Our Clearwater branch is expanding and seeking a highly responsible individual who is a self-starter, can work diligently as part of our team and manage their time efficiently. Work hours are Monday - Friday 7 a.m.- 3 p.m. You must have a clean driving record, a high school degree and be able to pass a pre-employment drug test. Must also be able to lift and carry items weighing 60 lbs. or more.

Applicant should have a State of Florida Commercial Applicator Aquatic License or we will train you to take and pass the test. Advanced Aquatic Services, Inc. provides a full line of benefits including paid sick days, paid vacation, medical coverage, dental and vision insurance, a Simple IRA (401K) with a company match program, along with use of a company vehicle to and from work. This year-round position includes a highly competitive salary.

If you're seeking a meaningful career, enjoy the outdoors, and tired of working for a big corporation, this just may be the opportunity for you!

Please send resume through Indeed.

Job Type: Full-time

Pay: \$16.00 - \$18.00 per hour\
